CAPTURE SPECIAL MOMENTS AT YOUR WEDDING

Your story needs to be told, and we plan to do just that. Set against the splendid Nandi Hills, our wedding venue is a combination of natural surroundings and modern amenities. We have developed this entire zone for over 25 years thus giving it large, healthy trees and matured landscape for your event.

There are a variety of exotic locations for any ceremony you have in mind from the lush green lawns to a sunrise and sunset Skydeck, to a beautiful pool area. Our attention to detail and top notch service ensures you and your loved ones have a stress free day. Our Culinary Team can tailor dining options according to your need with the help of our management team.

Our team of Chefs are extremely passionate about different cuisines and can structure your menu to suit different locations and give you the most suitable package arrangements for your special day.

We specialize in curating destination weddings with the help of our Wedding Planning team, this could include days before and after the actual wedding day. Right from transportation to private excursions, exclusive parties and of course honeymoon pampering we have you covered.

A wedding is a day that combines two souls, let us help you make this a perfect beginning.
