CERTIFIED INSTRUCTORS
- SAFE, SECURE, HYGIENE

08 – 15 YEARS

3Location : km From Nandi Hills

BIKING - SAFETY INSTRUCTIONS
Guidelines can help ensure an enjoyable and safe pump track riding experience.

- Check your bike:**
Check your bike for any signs of wear and tear. Make sure your bike is the right size for you, and the seat, handlebars, and brakes are adjusted properly.
- Start slow:**
If you're new to pump track riding, start with the beginner sections. Get comfortable with the basic movements and gradually progress to more challenging features.
- Look ahead:**
Keep your eyes on the track ahead, looking for obstacles, turns, and other riders. This helps you anticipate and react to changes in the track.
- Stay hydrated:**
Bring water with you and stay hydrated, especially during hot weather or extended riding sessions.
- Watch out for weather condition:**
Wet or slippery conditions can significantly impact your ability to control your bike. Exercise caution.

CAMP SAFETY

- Camp is safe and secure for all adventure and outdoor sports facilities.
- First aid and doctor on site.
- Facilitators and supervisors are trained and certified in national and international government institutes

FOOD

- Nutrition and taste taken mainly into consideration while planning the menu.
- Mineral water, energy drinks, are given to keep the kids hydrated

TOILETS

- Separate for boys and girls
- Toilets have Automatic WCs and hand faucets

CHILD SAFETY IS OUR #1 PRIORITY!

At Nandi Adventure camp child safety and wellbeing is our number one priority.

Zero Tolerance:

We have ZERO tolerance for inappropriate behavior of any kind, including child abuse or misconduct, and we put resources behind that stance.

Safety Trainings:

Ongoing training and supervision of staff is critical. We participate in a wide variety of safety trainings such as First Aid, CPR & Wilderness Responder

SAFETY ACHIVEMENT

3G'S OF SAFETY – GEARS . GUIDELINES . GUIDES
